1. Connect to the wireless network: WiFi-UNI-Setup
2. Open a web browser
3. Use the wizard to configure your WiFi device
4. Enter your AD Lab login credentials
5. You’ll be automatically connected to WiFi-UNI

Got a laptop, tablet or smartphone? Connecting to WiFi at UNI just got easier!

To configure your device:
1. Connect to the wireless network: WiFi-UNI-Setup
2. Open a web browser
3. Use the wizard to configure your WiFi device
4. Enter your AD Lab login credentials
5. You’ll be automatically connected to WiFi-UNI
